INTRO

This Template Guide showcases by category the various templates available in Yearbook EZ for the 2024-25 season. Contact your yearbook provider with any questions. Thank you, and have a great school year!

**OVER
100 NEW
TEMPLATES**

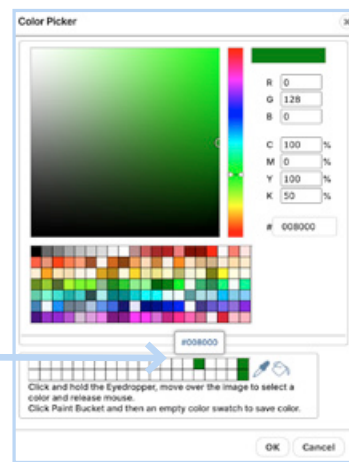

Templates are a perfect starting point for designing your own pages.

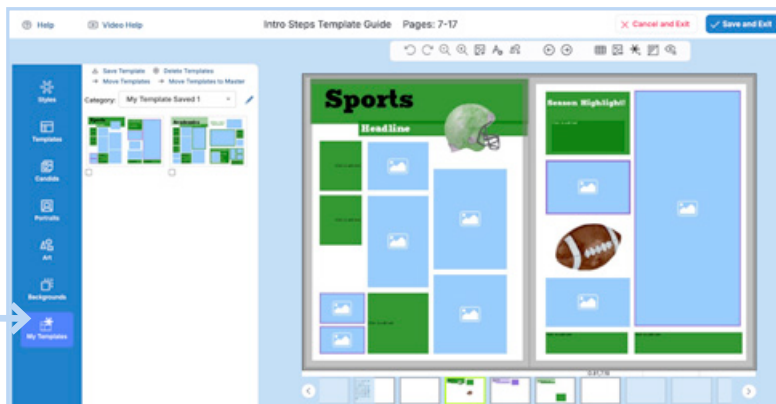

Change the color of any object on the page and **Apply to All** to change throughout the whole spread.

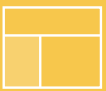

Save your colors in the palette and apply throughout your book.

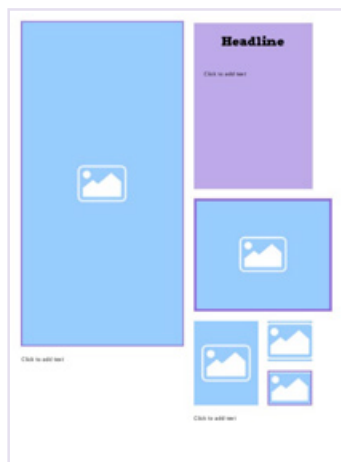

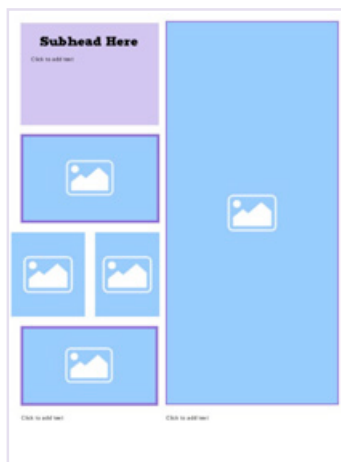

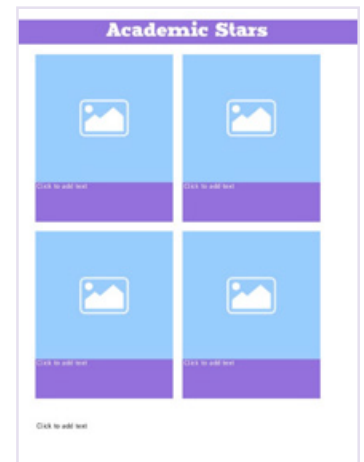

Use **My Templates** to save your customized designs and use on other pages of your book.
